ABOUT US

The combined membership for LUPC and SUPC includes more than 100 institutions in higher education as well as further education colleges, museums, galleries, the arts, sciences, government departments and organisations in the wider public sector. Collectively, last year, our members spent over £810m through consortia frameworks. Our memberships represent a significant proportion of overall sector buying power.

THE LUPC & SUPC CONFERENCE

LUPC and SUPC will be holding our tenth joint consortia Procurement Conference & Exhibition on **Wednesday 25 March 2026**. We're delighted to be meeting again, bringing together our combined membership and our framework suppliers for a day of topical sessions and focused networking. Firmly established as the must-attend event for Heads of Procurement, Category Managers and Buyers across the LUPC and SUPC membership, this event provides a unique and unrivalled opportunity to build new relationships and cement existing ones.

The conference will be held in the City of London at the popular venue, [Convene 133 Houndsditch](#). We will be using the well-established [Whova platform](#) for our event website and conference mobile app, helping all attendees engage with all aspects of the conference.

BENEFITS OF ATTENDING

- A key opportunity to meet with up to 150 [LUPC](#) and [SUPC](#) member organisations.
- Our conference is well-established, having run now for ten years. You will have access to over 200 buyers from across London and the South's higher and further education, arts, science, cultural and public sectors in attendance.
- Your support for this event ensures we can keep it free for members, so delegate numbers are always strong.
- It provides you, our exhibitors, with a great space to showcase your framework products and services and create new business opportunities.
- It supports you to build greater brand recognition in the sector and generate new leads.
- With more than 700 approved suppliers awarded to our agreements, attending as an exhibitor demonstrates your commitment to collaborative agreements and the needs of our members.
- Our conference programme is designed to maximise your time with delegates through regular scheduled breaks.
- All attendees receive a delicious breakfast, buffet lunch, and refreshments throughout the day.
- A complimentary invitation for exhibitors to the **Conference drinks and canape reception** is included providing further networking opportunities; this is held immediately after the event to capitalise on the buzz and talking points of the Conference.

FEEDBACK FROM OUR LAST CONFERENCE IN 2025

- Based on our post-conference survey 2025, both 100% of exhibitors and 100% of delegates rated the LUPC & SUPC Conference as “Very Good” or “Good”
- 95% of Exhibitors who responded to our survey said they would exhibit again.

Exhibitor comments

“The LUPC SUPC Conference 2025 was an excellent event! The event was exceptionally well organised, with great attendance, engaging attendees and fantastic networking opportunities. We cannot wait to exhibit again next year!” **Sarah Smith, Allwag Promotions Ltd**

“Great event, well run and managed. Well worth it!” **Exhibitor**

“Really well attended, found there was plenty of time between the sessions for delegates to go around and speak with the exhibitors. Great food too!” **Exhibitor**

“The sessions were probably of a perfect length and the programme allowed attendees time to take refreshments and visit exhibitor stands.” **Exhibitor**

Delegate comments

“Great day and seamlessly run. I found the sessions I attended informative and the exhibition space was well thought out in design.” **Delegate**

“Overall, I had a great experience at the conference. The sessions were insightful, the communication beforehand was clear, and the event was well organised. I particularly appreciated the balance between sessions and networking opportunities. The Whova app was helpful for navigating the agenda and connecting with attendees. Many thanks to the team for putting together such a valuable event!” **Delegate, University of Plymouth**

“Think this was the best organised conference for numerous years. The duration of breakout sessions, number of, and the time between during the day to get food/drinks/lunch plus interact with suppliers was spot on.” **Delegate**

WHO WILL I MEET?

Predominantly, heads of procurement, category managers (Estates, ICT, Professional Services, STEMEd) and buyers from central purchasing teams across higher education, further education, museums, galleries, the arts, sciences and the wider not-for-profit sectors. We expect over 200 delegates to attend.

TERMS & CONDITIONS

[Full Terms and Conditions](#)

Please note, only awarded suppliers that are on framework agreements available to LUPC and/or SUPC members at the time of the conference can be a sponsor or exhibitor at the LUPC & SUPC Conference, 25 March 2026.

We regret that should your company no longer be an LUPC/SUPC supplier as of 25 March 2025, we will need to refund your exhibition/sponsorship fee as we can only accept exhibitors from consortium approved suppliers.

Your exhibition stand/sponsor package is not secure until payment has been received. We reserve the right to decline bookings from a) aged debtors until debts are cleared, or b) any suppliers who have failed to submit up-to-date management information for framework usage by LUPC and SUPC members.

All exhibition stands and sponsorship packages are first-come first-served basis. We cannot guarantee that your exhibition stand is not next to, or close by, a competitor. You will need to complete the [online booking form](#) to secure your attendance. Please note LUPC & SUPC cannot reserve a place for you.

SUSTAINABILITY

Responsible procurement is very important to LUPC, SUPC and our Members. As always, we wish to improve upon the sustainability credentials of our conference year-on-year. A small way that we are achieving this is by not providing conference pads and pens; delegates will be advised to bring their own. We also use a conference app instead of a printed conference brochure.

Please be mindful of the environmental impact of any giveaways you wish to distribute at the conference. You can demonstrate your commitment to sustainability by ensuring promotional items are as friendly to the supply chain and the environment as possible.

We respectfully request that **no single-use plastic products** be distributed.

- Please note, that stand bookings and sponsorship opportunities will be on a first-come, first-served basis.
- Bookings open Tuesday 18 November 2025 at 10:00. We anticipate that there will be high demand for places, so please be prepared; you will need invoice details including invoice contact name and address, and PO number if required.
